Dear CATSA ATIP Coordinator,

I am writing on behalf of Ms. [REDACTED] (DOB [REDACTED] and her minor child [REDACTED] de [REDACTED] (DOB [REDACTED] as her designated representative.

This email is a duplicate of a Privacy Act request already submitted through the ATIP Online Portal (atip-airpr.tbs-sct.gc.ca). I am sending it directly to CATSA only to reinforce an urgent preservation demand.

PRESERVATION REQUEST

I respectfully ask that CATSA immediately preserve, and not destroy or overwrite, any CCTV recordings, screening logs, Screening Officer notes, or any other records containing the personal information of Ms. [REDACTED] and the minor child, from their passage through pre-board screening at Montreal-Trudeau International Airport (YUL) between March 20 and March 22, 2026.

This preservation request is urgent because standard CCTV retention cycles may result in the loss of the recordings before the formal request is processed.

The formal request, together with supporting identification and written authorization, has already been submitted through the ATIP Online Portal. I am not attaching identification documents to this email for privacy reasons, but I am willing to provide any additional identity verification you may require through a secure channel.

Sincerely,

Victor Manuel Gutierrez Verduzco
