Dear Ms. Lamoureux:

In response to your email of April 27, 2026 regarding request P-2026-19189:

Yes, I do require the videos. I appreciate your attention to the matter and the confirmation that the material has been located.

I also respectfully request that points 2 and 3 of my original request, which your email did not address, be attended to:

- Point 2: documents, notes, entries, internal communications and any administrative record of the immigration officer who intervened on April 8, 2026.
- Point 3: any other record containing my personal information linked to that date and location.

I would like to inform you that the same request was filed in parallel through the Government of Canada's Access to Information and Personal Information Online Request Service (AORS portal), where it was assigned file number EP2026_0516982 and, as of today, remains in "In progress" status. I bring this circumstance to your attention for any purposes that may apply.

For the above reasons, I respectfully ask that the delivery of the videos and the response to points 2 and 3 be processed through the said official portal, for greater certainty and traceability, given that it is the official channel enabled by the Government of Canada for this type of request.

I remain awaiting your kind reply.

Sincerely,
V́ctor Manuel Gutíerrez Verduzco
